

Discover the easiest way to learn Tarot. With the simple system outlined in this book, you can start reading the cards immediately—even if you’ve never touched a Tarot deck before! Most introductory Tarot books contain long lists of keywords for each of the seventy-eight cards in a deck. The key to this unique system is the Tarot sentence. A card’s complex significance boils down to three elements: identity, action, and direction. These elements are matched with a noun, verb, and adverb to form a simple sentence and give you the succinct meaning for any given card. You’ll learn how to interpret the collective meanings of three-card sets within a variety of spreads designed to answer any question. A quick-reference table that includes reversed meanings saves you the trouble of flipping through the book while you’re in the middle of a reading. Flexible, fast, and fun, this foolproof method can be applied to any Tarot deck.

Riemanns geometrische Ideen, ihre Auswirkung und ihre Verknüpfung mit der Gruppentheorie (German and English Edition), Community Transformation (Vineyard): Personal involvement with others to facilitate positive change where you live and beyond (Vineyard Dimensions of Discipleship) (Volume 8), Vive L'Empereur: Grand Tactical Miniature Rules for Napoleonic Warfare, Three Years in Savage Africa, Liturgical Question Box, Nouvelles du temps passe (French Edition), Guerrilla Metaphysics: Phenomenology and the Carpentry of Things, Communication and Trade: Essays in Honor of Meheroo Jussawalla (Hampton Press Communication Series), Functional Morphology of Insect Feeding (Thomas Say publications in entomology),
