

This aims to provide an everyday, working manual and takes the reader through the preliminary steps right up to final enforcement. The book takes account of the amendments made to Order 113 to speed up procedure, and the developments in the law as to what can be seized in execution. Also considered are the changes brought about in the county court including judgments over #5000 to be transferred to the High Court. It provides treatment of Remedies pursued through the Sheriff; sequestration; order of committal; attachment of earnings; equitable execution and more. A section covering foreign judgments is included as well as comparative tables outlining procedures in the High Court and county courts.
