Food Truck Business (FREE BONUS INCLUDED) How to Start Your Own Food Truck -The Ultimate Guide For Running A Successful Food Truck Business! Running a food truck business isn't something that you just wake up one day and decide to do. It takes a lot of time, planning, money and experience to make this a success. When dealing with food there are a lot of codes, regulations, permits, licenses, insurance and red tape you need to go through before you are even allowed to serve a single meal. When it comes to food and food trucks I have over twenty years of experience in the subject. I have worked in and run restaurants, food trucks and many other service related business in my lifetime. When it comes to knowing what to do and how to do it I am an expert. When starting out many people have misconceptions on what to do, how to get started and why the process is tedious. The truth is you need to realize you are working with a product that could ultimately get someone sick or even die if specific health codes and regulations are not met. In this book I will give you the sum of my knowledge. I will talk about how to find a food truck, get it licensed and regulated through the state and how to plan your meals and find hot locations that will put money in your pocket form day one. If you are someone who has wanted to start a food truck business or are just curious on how it is done you will love this book. So download today and learn what you need to know and the step by step blueprint that you can use to make your business a success. Download your copy of Food Truck Business by scrolling up and clicking Buy Now With 1-Click button.
