

In the first book of the Global Healing trilogy, Vipin Mehta demonstrates the significance of Metaphysical knowledge and how different mindsets impact individuals, societies, nations and ultimately the state of the world. Vipin Mehta then shows us how to apply metaphysics to change negative constrictive mindsets to positive constructive mindsets by unlocking the inner workings of how the mind really works - essentially demonstrating that our physical outer world is ultimately a reflection of our inner world. Change the mindset, change the world!
