

Looking for a nice, sweet, normal alphabet book? This isn't it. Afraid of explaining things like egg cups and Zeppelins? This is not the picture book for you. BUT. If you grew up in the age of the cold war and remember how to do a fallout drill, you'll appreciate this Inspector-Gadget take on the letter B. If you've watched your share of Mad Men and wish that your little one would hurry up and learn how to make a martini, you'll appreciate the retro styling of S is for Sofa. In this ABC book for kids, style supercedes all and kids (big and small) will learn their alphabet with class. Find More Great Options for Kindle Kids Books!
